Yeah, I'll tell you what I want, what I really, really want
So tell us what you want, what you really, really want
I'll tell you what I want, what I really, really want
So tell us what you want, what you really, really want
I wanna, I wanna, I wanna, I wanna
I really, really, really want DIRECT DEMOCRACY

Want a better future, Honor the past
Wanna build movement, Gotta make it last
25 years later, Our folks still strong
Defend direct democracy, all year long

I'll tell you what I want, what I really, really want
So tell us what you want, what you really, really want
I wanna, I wanna, I wanna, I wanna
I really, really, really want DIRECT DEMOCRACY

If you wanna make ballot measures
Love letters to our peeps
Tools for lib-er-ation

If you wanna make ballot measures

Building resilient movements, they can't destroy
For the Road Ahead, Follow BISC's lead
Gamechanging infrastructure is what we need

I'll tell you what I want, what I really, really want
So tell us what you want, what you really, really want
I wanna, I wanna, I wanna, I wanna
I really, really, really want DIRECT DEMOCRACY

If you wanna make ballot measures
Love letters to our peeps
Tools for lib-er-ation
